

ASSOCIATION — CARDS —

This set Associationcards contains 45 inspiring pictures at A5 Size (210 x 148 mm). The pictures give rise to associations like power, fear, faith, harassment and victory. This set is therefore ideal to use at workshops, coaching and evaluations.

EXAMPLES OF HOW TO USE THE CARDS

- 1 Evaluation:** Participants choose a card that displays how they feel or felt at a certain moment. They explain why they have chosen that card to the other participants and how they feel about that.
- 2 Feedback:** Participants give feedback to each other with help of the cards. The participants choose a card that they associate with another participant. Then they explain to the other participant why they have chosen that card.
- 3 Creativity:** Each participant chooses a card and creates a story based on that card. The next participants continue the story based on the cards they have chosen.
- 4 Goals:** Each participant chooses a card that displays how they see themselves, the team or the project at a certain moment in the future. After choosing the card, they explain their view to the other participants.
