

## Founded in Education.

Don't be fooled by its sleek design. The new Shield Extreme-X with Pencil Holder for the 10.2-inch iPad delivers rugged, 360-degree protection with an updated two-piece design. Integrated internal air-pockets make for slim yet highly impact- and shock-absorbing corners. Impact-absorbing TPU surrounds edges. The commercial-grade screen cover protects against scratches and impact. An all-new kickstand design is highly durable and adjusts easily to three positions for customized viewing and typing. Designed to support the changing needs of educators and students, it includes durable corner through-holes for attaching lanyards and accessories. The handy built-in holder is compatible with Logitech Crayons, Apple Pencils and other styluses. Tested and certified as meeting the stringent Mil-Std 810G drop test for added assurance.
