

# Tabletop Contents

Box 2

Needed:

Advised:

To prevent scratching

Note:  
Make sure they are facing inwards when assembling  
Screw not too tight

Box 1

1 Screw the small part of the bracket to the underside of the tabletop

2 Repeat with all 4 brackets. Make sure the small hole of the bracket is attached to the tabletop

3 Screw the last nuts to the lid. Repeat 4 times

4 After the tabletop and the lid are assembled it should look like this.

5 Click the top on the barrel and make sure the barrel clamp is open before attaching

6 Close the barrel clamp. Grab a beer and enjoy!
