item:WZB-PIR

Versie 1.01 NL

Veiligheidsinformatie

Dit product is bedoeld voor gebruik binnenshuis en gebruik in droge ruimtes. Voorkom contact met vocht en waterdamp.

Lees de instructie goed door.

Hihome (At Home Technologies BV) is niet verantwoordelijk en aansprakelijk bij onjuist gebruik.

Bezoek <https://support.hihome.eu/> voor **uitgebreide** en de laatste versie van de **handleiding**. Voor vragen kunt u een email sturen naar support@hihome.eu

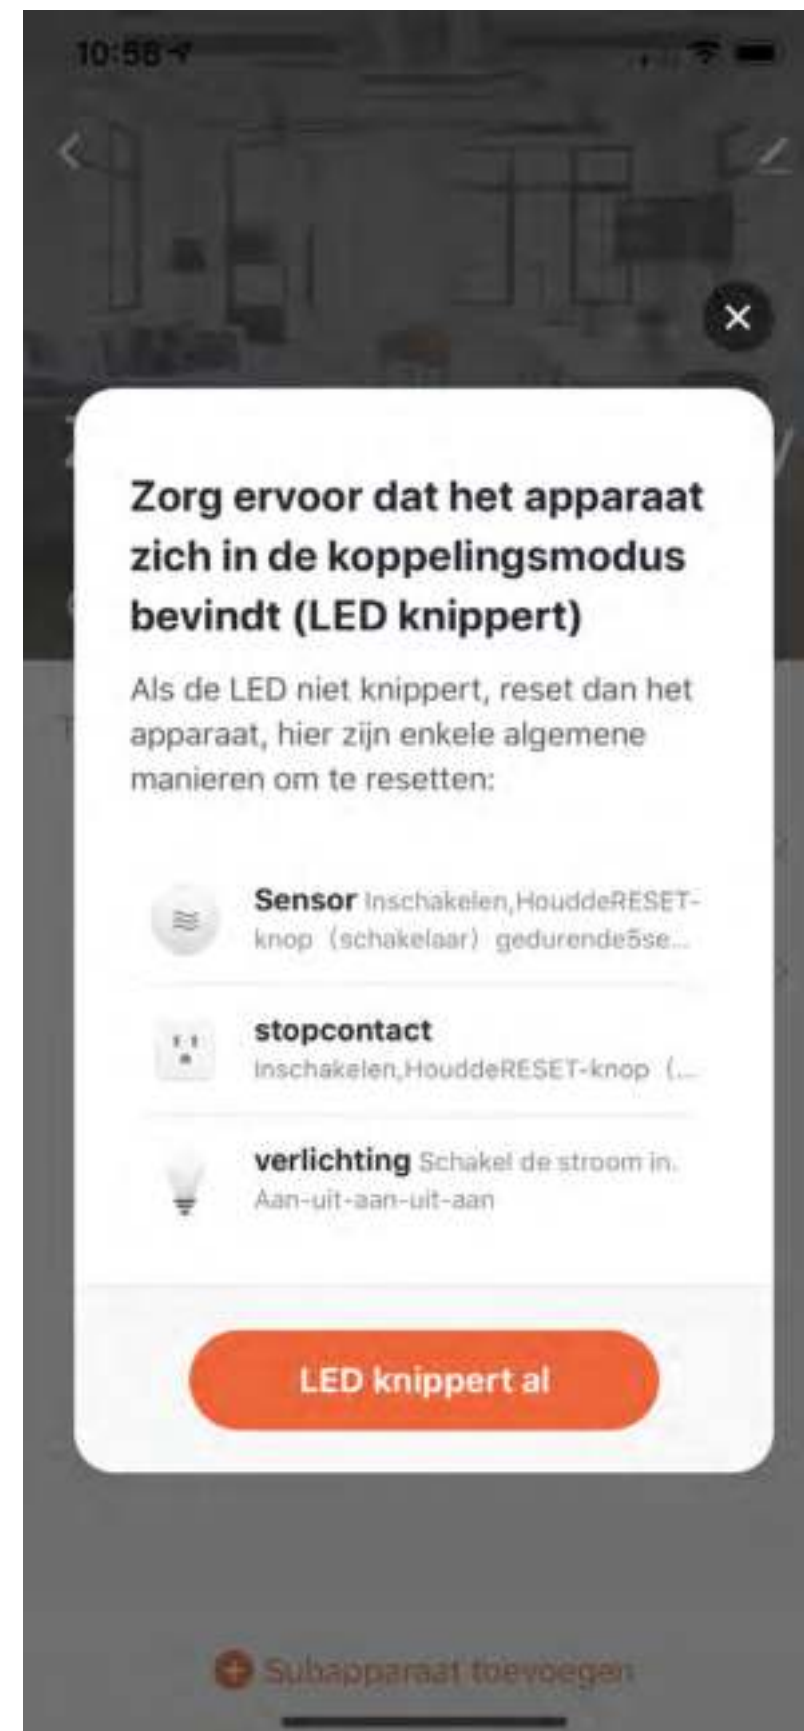

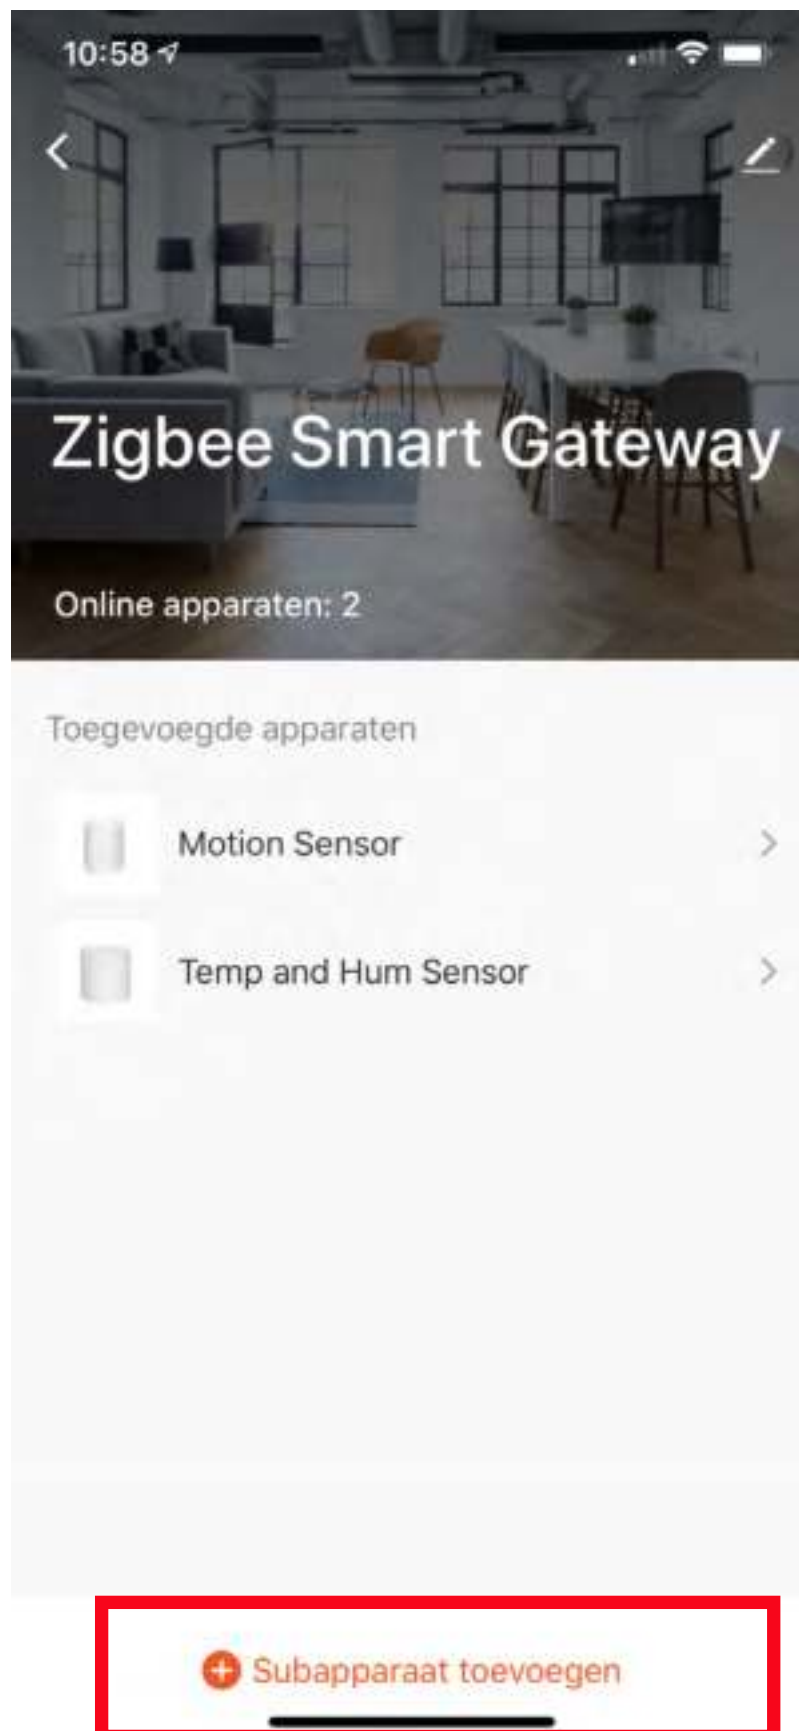

Stap 1

Voeg eerst een Zigbee Smart Gateway toe

Stap 2

Voeg een subapparaat toe. Zorg ervoor dat het subapparaat zich in koppelmodus bevindt en de LED knippert. Zet koppelmodus aan door de resetknop 5 seconden in te drukken.

Plaats een CR2 batterij of verwijder de folie. Let op Positief en Negatief.

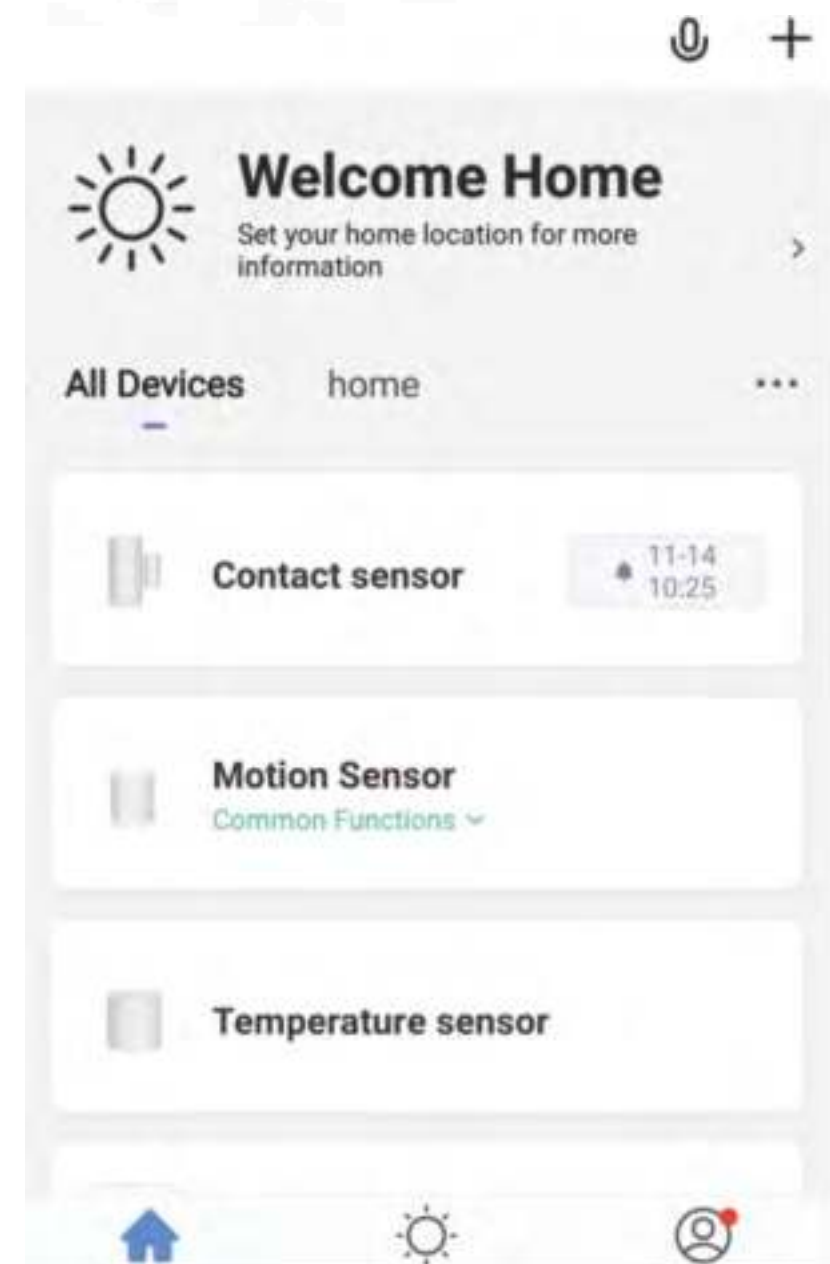

Druk de knop 5 seconden in om de pairing modus te starten
De LED knippert als pairing modus actief is.

Let op juiste plaatsing voor een optimale detectie.

Gebruik de sensor met de Hihome App en creëer Slimme routines
