

K-NATICS PRO

XTREME PERFORMANCE

The K-NATICS PRO is a revolutionary super bright tactical flashlight. Using the updated high discharge K-NATICS ULTRA High Capacity 26650 5000mAh lithium battery, the K-NATICS PRO is capable of producing a maximum of 2,500 lumens for up to 800 meters of throw allowing you to see in any harsh situation. Quickly get back in action with the super-efficient USB charging cable which holds 2A current for 100% faster charging. The IP65-rated aluminum alloy body with tactical grip makes it tough enough to endure a harsh 2-meter drop test. With the advanced zoom function, 5 light modes, unbeatable performance and indestructible build, the K-NATICS PRO is ideal for the professional choice of hunting, search and rescue or while on duty. Just feel the sensation of K-NATICS and the absolute robustness in your hand.
