

ROG STRIX 1200W Gold Aura Edition combines premium components, superior cooling and captivating RGB illumination. ROG heatsinks, a high-efficiency Axial-tech fan, and a striking aluminum finish, it's a pumped-and-primed PSU.

## Aura Sync

Addressable RGB lighting is built right in to the ROG Strix 1200W Gold Aura Edition, so it's all set to integrate with the Aura Sync illumination ecosystem – adding aesthetic style to raw power.

## ROG Heatsinks

ROG heatsinks have 2x more volume than traditional designs, facilitating lower temperatures, longer component lifespan, and extended 0dB operation.
