

Test Verification of Conformity

This verification of conformity is based on an evaluation of a sample of the following mentioned product, and technical report and documentation are at the license holder's disposal.

This is to verify that the tested sample is in conformity with all related provisions of harmonized standard EN71 under Toys Directive 2009/48/EC. It is possible to use CE marking to demonstrate the compliance with this toys Directive.

NOTE 1: This verification is part of the full test report(s) and should be read in conjunction with it.

NOTE 2: This verification supersedes all previous verifications with the noted Verification/Report number(s) dated before this verification notice. (Delete it when it is not applicable)

Report Number(s)	: SHAH00542900S1

This Verification is for the exclusive use of Intertek's Client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Verification. Only the Client is authorized to copy or distribute this Verification. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. The observations and test results referenced from this Verification are relevant only to the sample tested. This Verification by itself does not imply that the material, product, or service is or has ever been under an Intertek certification program.
