Options & Sizing

Description:

Oxford's Aqua Bags are one of the easiest ways to get your gear from A to B, safe and dry. They are made from tough PVC tarpaulin, which is welded to form waterproof seams.

This quick-release pannier will greatly increase the amount of gear you can pack on your bike. Its waterproof construction means contents are kept safe in any weather and the roll-top design with compression straps allows you to adjust its size to fit exactly what you need to carry.
