

SWANLISS® BEAUTY CURL

Perfection, precision and performance! The Swanliss Beauty Curl is the curling iron that automatically curls the hair! Discover a revolutionary way to create beautiful, shiny curls. The Swanliss Beauty Curl curling iron features the latest technology to keep your hair curly all day long!

Always perfect curls, faster and easier than ever

With the automatic curl technology, your hair is automatically and gently pulled into the curler's ceramic curl chamber where it is held, timed and heated from all directions to effortlessly form the perfect curl. Regardless of your hair length or type, this hair curl tool creates flawless curls easier than ever!

Revolutionary motor with safety sensor for precision styling

This innovative style tool gives a modern twist to your daily

curling iron, this professional brushless motor is built for longer life and offers precise styling with a safety sensor that ensures perfect curls. The cylinder-shaped hair guide in the center of the curl chamber perfectly positions the hair, while two powerful heaters heat the hair from all directions to create even, beautiful and smooth curls. In addition, the automatic beep indicator lets you know when hair is ready for the perfect curl.

Suitable for everyone

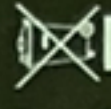

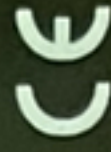

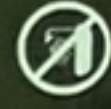

The ceramic coating reduces frizz and evenly distributes heat for protection and extra shine. The powerful heater heats instantly and evenly, up to 230 degrees for long-lasting curls and waves. With the 3 different heat levels and 3 different beep indicators you can customize your look and choose between loose, medium or tight curls. You have

complete control!

The shape of this multi-functional curler is ergonomically designed to fit comfortably in your hand during long lasting styling. With the Swanliss Beauty Curl you are assured of soft and smooth nice curls!

Especially for you

Healthy hair is very important for us! And so with every purchase of a ceramic curling iron you'll get a free bottle of argan oil as a gift. Argan oil contains omega 3 and 9 fat acids and antioxidants which helps to strengthen your hair roots and offers protection to heat. This way your hair will look silky soft, shiny and healthy!
