Max. toerental: 10.000 toeren/min  
SN:2020-003-021

The image shows a black rectangular label on an orange surface. At the top, it contains technical specifications in white text. Below the text are several safety and compliance symbols: a CE mark, a general warning triangle with an exclamation mark, a triangle with a hand and a gear, a triangle with a hand and a lightning bolt, a circle with a person lifting a box, a circle with a hand on a gear, and a circle with a hand on a power button.
