## DRSK210B

### Power Strip with USB Charge for All

Power strip with 2 AC outlets + 2 USB-A ports(5V/2.4A) + 1 USB-C port(5V/3A), provides ultimate convenience for your appliances and mobile devices. It compatible with 100~240V worldwide voltage.

### USB C FAST Charge

2 USB ports total 3 A/15W output, Each USB-A port provide 5V/2.4A max, and USB-C port can up to 5V/3A max. With smart charging technology, it can auto-detects your connected devices and can reach faster charging efficiency, would charge your cellphone, pad WITHOUT a variety of converters.

### Upgraded Power Cord & Right Angle Flat Plug

The 5ft-long extension cord is made of 14AWG pure copper, which is very thick and has better current carrying capacity (13A). The braided power cord is not easy to deform, durable and more safety than other power cord. 45-degree low-profile angled plug design doesn't block the bottom receptacle of your duplex wall outlet.

### Multi Safety Protection & Service Support

Our power strip are certified by FCC and ROHS, high-quality components, The power strip can prevent your electric devices from over-current/over-charge/short circuit/over-heated.

Rated Voltage: 110V~250V

Rated Current: 16A

Output: 4000W  $\approx$  16A

USB-C Output: 5V  $\approx$  3A

USB-A Output: 5V  $\approx$  2.4A

Color: White

Cable Length: 1.6M

Material: PC

Product size: 98\*108\*41mm

Single gross weight: 326kg

# 160CM POWER CORD
