

GENERATOR 1000W 230V SUPER SILENCE GÉNÉRATEUR 1000W 230V SUPER SILENCE

- Maximum 0.7KVA output for wide range of applications
- Low noise design 94dB(A) / 7 meters
- Lightweight delivers super portability – only 18kg
- 4 hours running on a single fuel tank
- Digital technology delivers quality output
- Dual voltage and frequency output for ease of use
- Rated power = 700W
- Maximum power = 1000W
- Fuel tank = 2.5L
- Max. engine output = 2.0HP
