

REF: 41535

COMPOSITION

Aloe Vera Gel made exclusively with organically grown Aloe Vera.

PROPERTIES

Moisturising, nourishing and soothing

LABNATUR Aloe Vera Gel is formulated with pure Aloe Vera from organic farming that moisturises and cares for the skin, leaving it soft. It provides a pleasant sensation of freshness and well-being. Recommended for dry, sensitive or damaged skin. Ideal for after sunbathing, post-depilation and shaving. Moisturising, nourishing and soothing gel. Non-greasy. This product contains more than 99% Aloe Vera.
