

Quality home appliances
HHA312310

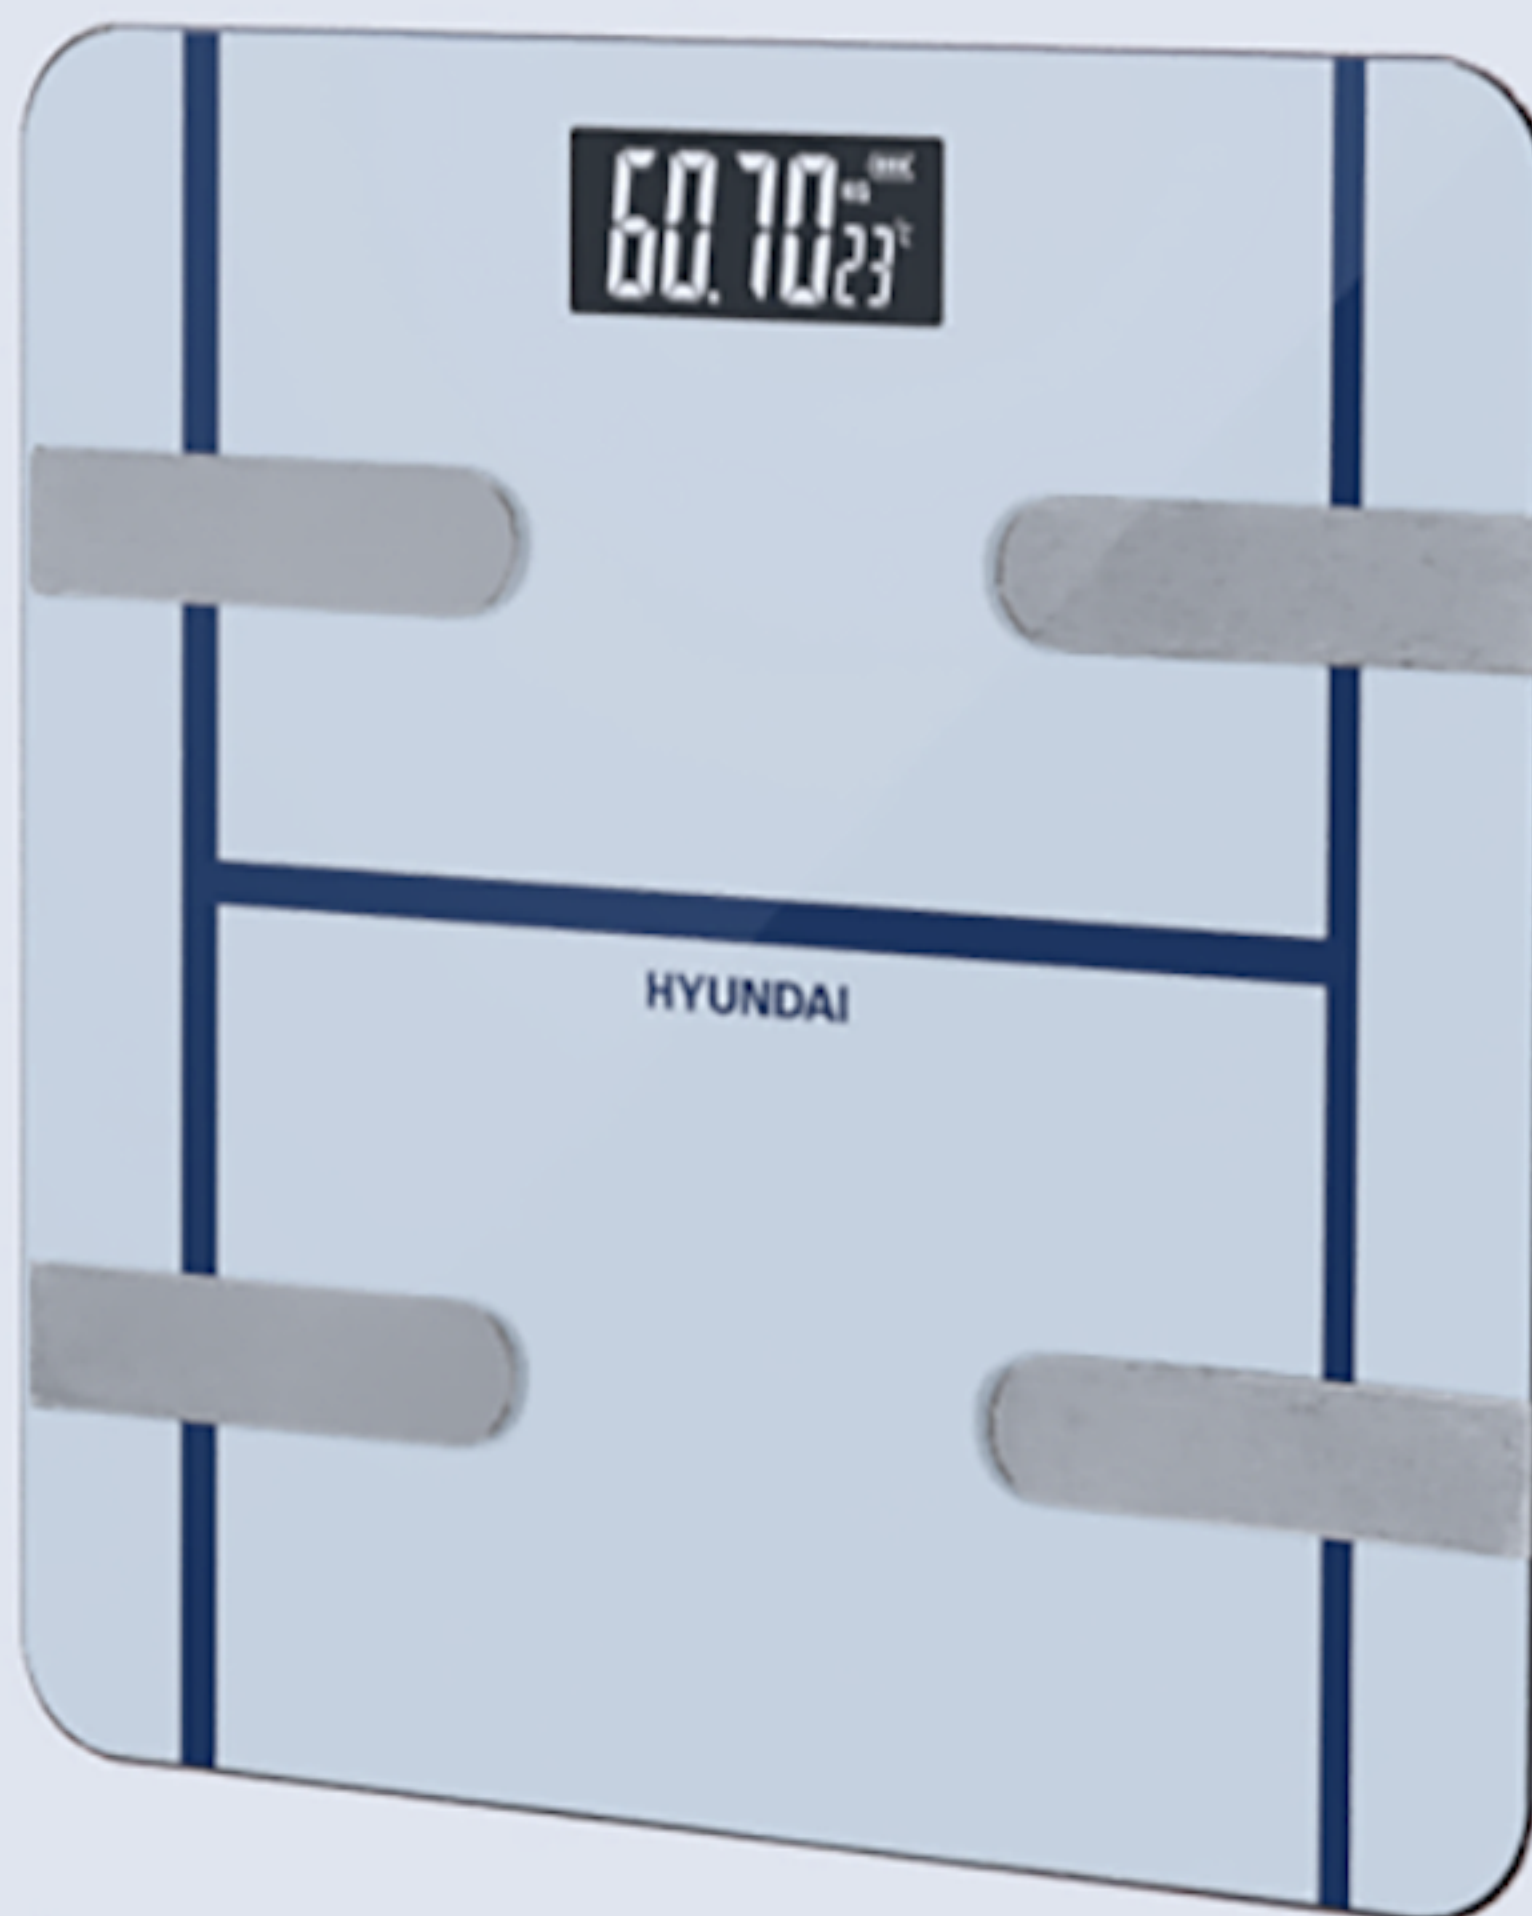

Hyundai Home App

The app is compatible with both android and apple phones and can be downloaded for free. Results appear instantly on your device through bluetooth technology. The app will keep track of all the important figures like; weight, fat percentage, water percentage etc..

Based on the results the app gives you an advice to help you out on your diet! The app can save data for up to 10 people, so everyone around you can use it as well.
