TROUBLESHOOT

- If an error occurs with the headphones, please reset the headphones following the steps from 'RESET'.
- When the headphones power is low, the Bluetooth range may be affected. Please charge the headphones to avoid disruption during use.
- Please see our website www.ottotechologies.com for general troubleshooting instructions.

SAFETY INSTRUCTION

Read all the instructions carefully before using the product and retain for future reference.
Wearing headphones limits your ability to hear sounds around you, regardless of the volume level. Use with caution and consideration.
Do not immerse in water.
Keep headphones away from children under the age of 3 due to small parts which may cause choking.
Do not use these headphones whilst operating machinery, driving, riding a motorcycle or bicycle, or in situations where an inability to hear surrounding sounds could pose a danger to yourself or others.
Set volume to low before turning on sound.
Long-term exposure to loud noise may cause damage to eardrums or loss of hearing.
The device may become warm while charging.

IMPORTANT: Listening at high volume for long periods of time can result in long-term hearing damage. For your safety, do not use headphones in situations where an inability to hear surrounding noise may present a danger to yourself or others.

PRODUCT GUARANTEE AND SAFETY INFORMATION

WARNING: This product is warranted against defective materials and workmanship. If the warranty service is required, you should return the product to the retailer from whom it was purchased. If the item was purchased in the United Kingdom, the guarantee period is 12 months from the date of purchase. If it was purchased in the EU, then the guarantee period is 24 months from the date of purchase.

WHAT'S NOT COVERED:

1. This warranty is only valid if, when warranty service is required, the original invoice or sales slip is produced, and the serial number on the product has not been defaced.

2. Any repairs or services are limited to the cost of repair, replacement of the product or the defective part.

3. Warranty repairs or replacements are limited to the repair of the product or the replacement of the part or the defective part.

4. This product will not be considered to be defective in materials or workmanship by reason that it requires adaptation in order to conform with national or international regulations or standards.

5. This warranty is valid only for persons who legally acquired the product during the warranty period.

6. This warranty covers none of the following:
