

Warrior X Pro is the upgraded version of Olight's revolutionary Warrior X. Using an updated high discharge 5000mAh 21700 lithium battery, the Warrior X Pro is capable of producing a maximum of 2,100 lumens for up to 500 meters and is delivering a 2A current for 100% faster charging than Warrior X. In addition to the classic features of the Warrior X's sturdy, aggressive body, as well as the vibration battery indicator, silicone tactical ring and magnetic remote switch, the Warrior X Pro features a redesigned raised tail switch for an unprecedented intuitive operation experience. The IPX8-rated aluminum alloy body sports a pronounced knurling pattern for a better grip. With unbeatable performance and indestructible build, the Warrior X Pro is ideal for the professional choice of hunting, search and rescue, or while on duty.

FEATURES

- Using a customized 5000mAh 21700 lithium battery, the Warrior X Pro produces an incredible 2,100-lumen output and 500-meter throw allowing you to see in any harsh situation.
- The redesigned raised tail switch comes with stronger magnetism, and aggressive body knurling for a firmer grip, giving you a simpler interface and operation experience than ever.
- Quickly get back in action with the super-efficient MCC3 charging cable which holds 2A current for 100% doubled faster charging than Warrior X.
- Sturdy Heavy-duty build with a thick IPX8-rated aluminum alloy body, making it tough enough to endure a harsh 3-meter drop test.
- All tactical classics in one: vibration battery indicator, silicone tactical ring, etc. Just feel the sensation of absolute robustness in your hand.
