Waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your Local Authority for recycling advice.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.

This adaptor does not convert voltage!
Made in China

Cautions:

- Before use, Please read this instruction carefully! This product does not convert voltage (AC-AC), in order to avoid possible damage to your device or other safety hazards, please make sure the power outlet you intend to use has the proper voltage to run your device BEFORE using this adapter.
- Each country has its own regulations regarding the use of travel adapters, please check in each country before use.
- No grounding, this product is for use with unearthed or doubleinsulated appliances only.
- Covers more than 150 countries with US/EU/UK/AU plugs.
- Built-in safety shutters protect users from the direct touch of the live parts on the socket outlet.
- Only one plug-type can be used at one time, other plug-pins are locked automatically.
