Supreme quality sandwiches

With the Sandwich Maker Supreme, you can make two delicious sandwiches at the same time thanks to the grill surface of 22.4 x 12.4 cm! The plates are non-stick coated and therefore easy to clean. Also suitable for paninis, fish, vegetables and meat.

Durable design and materials

This sandwich maker has a stylish stainless steel lid including a safety lock and is therefore safe to use. In addition, the handle remains cool to the touch while grilling with 750 watts of power.

Convenient during and after use

Features such as the non-slip feet and a power cord of 85 cm make this appliance very accessible to use whenever and wherever you want. After use, store the sandwich maker either horizontally or vertically.
