2 waffles per session

Make 2 perfectly baked waffles in one baking session. Extra tasty with for example strawberries and whipped cream.

Adjustable thermostat

Equipped with an adjustable thermostat to choose your favorite browning setting. Adjust the thermostat to make lighter or darker waffles.

Nonstick coating

Baking plates with a size of 19.8 x 19.8 cm and a nonstick coating, which makes it very easy to take the waffles out of the appliance.

Power on and ready indicator lights

Easy to use thanks to the power on and ready indicator lights.

Adjustable thermostat

Power on and ready indicator lights

Nonstick coating

2 PER SESSION

1200 WATT
