

## Evolution® 200

### Category Benefits

- Food waste is ground into particles and flushed away in seconds
- Clean, hygienic, convenient and simple to use
- Easy method to manage food waste in the home, saving you time and helping to minimise trips to the outside dustbin
- Permanent in-house solution that is compact and sits under the sink without taking up valuable storage
- Easy to install into new or existing kitchens and can be fitted to most sinks
- Environmentally responsible, helping reduce the amount of waste that goes to landfill sites

### Features

- Evolution quiet technology - 60% quieter than standard Model 45
- Evolution 3-stage grind technology
- Auto-reverse grinding action
- High-torque Dura-Drive™ induction motor
- Built-in air switch in chrome and brushed steel
- 6 Year guarantee
- Stainless steel grind elements and grind chamber
- Overload protection
- Quick Lock® mounting assembly for faster, easier installation

### Sample Specification

Food waste disposer(s) shall be InSinkErator® Model Evolution 200 with 3-stage grind and quiet technologies, 1 hp (110-120V) or .75 hp (220-240V) motor, auto-reverse grind system, stainless steel grind chamber, grinding elements and built-in air switch with chrome and brushed steel options.

**Guarantee:** 6 Year parts and service.

The complete InSinkErator guarantee is included in the Care & Use Booklet packed with each unit.

### Batch feed operation

For those who prefer the on/off switch built right into the disposer cover, InSinkErator offers the cover control accessory. It's just right for efficient batch feed operation. (Not available in all markets)

### Dimensions (mm)

| Evolution 200 |     |   |     |
|---------------|-----|---|-----|
| A             | 344 | D | 234 |
| B             | 185 | E | 168 |
| C             | 64  |   |     |

InSinkErator reserves the right to change product specifications without prior notice. The disposer described in this leaflet is for household use; usage in commercial situations is not covered by warranty.
