Pairing and Connection

1. Keep the distance between the mobile phone and the headset within 1 m; the closer, the better.
2. Press and hald the key "▉", and then release it when the red and the blue lamps alternately blink.At this time, the headset has entered the paring mode
3. Enable the Bluetooth function of the mobile phone, search the Bluetooth equipment, select 'B39' for paring and connection. After connection is successful, the blue indicating lamp of the headset slowly blinks.

Notes:

● The pairing mode will be maintained for 5 minutes. If pairing and connection are unsuccessful beyond 2 minutes, the headset will automatically switch to the stand-by mode.
● After pairing iscompleted, the headset and the handset will remember eachothe r, without pairing
