

On-Ear Wired Headphones | 3.5 mm | Cable length: 1.10 m | Black

General information

These compact Nedis® wired and on-ear headphones offer maximum user comfort while you get the best for your budget.

They're ultra-lightweight, so once you wear them, you'll completely forget about them. And with a braided cable, you don't have to worry about tangling wires. Perfect for on-the-go listening to music and podcasts from your smartphone or other portables.

The soft on-ear pads and adjustable headband ensure a comfy fit, even for those long listening sessions. At the same time, these HiFi headphones don't compromise on audio quality, delivering a crystal clear, powerful and full-size sound experience thanks to their 40-mm neodymium drivers.

Features

- Ultra lightweight slim-line and ergonomic design - for a comfortable and secure fit
- 40-mm driver size - for a powerful sound delivery
- Soft-cushion ear pads - for extra user comfort
- Braided cable - durable and doesn't tangle
- Connects to any device with a 3.5-mm connector
