PRODUCT DESCRIPTION

Hammersmith Bionic Burner - Combat weeds with the power of hot air!

Hammersmith Bionic Burner is the environmental friendly, secure and lasting solution against unpleasant weeds! Its 650°C jet of hot air heats the plant up deep in its roots and destroys the weeds' cell structure effectively and long-lasting. Within 24 hours the weeds withers and can be easily swept away. The innovative conical nozzle targets the most sensitive part of the weed and destroys it successfully - perfect for easy, selective & long-term eradication of weeds. The unique guide wheels ensure the ideal distance to the floor and make manoeuvring easy. **Hammersmith Bionic Burner** heats up in less than one minute and works without any gas or chemical aids. Free your pavement, flowerbeds and terrace from nasty weeds. But that's not all - in addition, you can also use the **Hammersmith Bionic Burner** to erase old paint, melt ice & snow.
