### silent close lid

Our patented lid shox® technology controls the motion of the lid for a slow, silent close.

### lock the lid shut

A slide lock securely locks the lid to help keep pets and curious children from getting into the trash.

### strong steel pedal

Engineered for a smooth and easy step.

### slim profile hinge

Slimmer than traditional hinge designs — allows you to place the can closer to the wall.

### stay-open lid

The lid stays open for as long as you like — perfect for longer chores.

### custom fit liners

Our liners are tailored to perfectly fit our cans so they don't slip and the bag stays completely hidden when the lid is closed.
