

Kangka Compressie Handschoenen

De Kangka compressie handschoenen bieden extra ondersteuning voor uw handen, vingers en polsen. De milde compressie van de handschoenen bevordert de bloedcirculatie in handen en vingers, wat pijn en stijfheid kan verlichten. Kangka handschoenen zijn gemaakt van lichtgewicht en zacht ademend materiaal dat comfortabel is voor dagelijks gebruik.

The Kangka compression gloves provide extra support for your hands, fingers, and wrists. The mild compression of the gloves enhances blood circulation in the hands and fingers, which can help relieve pain and stiffness. Kangka gloves are made of lightweight and breathable material that is comfortable for everyday use.

Material composition:
Cotton 44%, Polyester 4%

Washing instructions:
Hand wash cold (Do not tumble dry or dry clean).
