

ENVIRONMENTAL PROTECTION RECOMMENDATION

* At the end of its working life, this product should not be disposed of with standard household waste, but rather dropped off at a collection point for the disposal of Waste Electrical and Electronic Equipment (WEEE) for recycling. This is confirmed by the symbol found on the product, user manual or packaging. Depending on their characteristics, the materials may be recycled. Through recycling and other forms of processing Waste Electrical and Electronic Equipment, you can make a significant contribution towards helping to protect the environment. Please contact your local authorities for information on the collection point nearest you.

RECOMMANDATION RELATIVE A LA PROTECTION DE L'ENVIRONNEMENT

En fin de vie, ce produit ne doit pas être éliminé avec les déchets ménagers normaux mais déposé à un point de collecte des déchets d'équipements électriques et électroniques en vue de son recyclage.

Ceci est confirmé par le symbole figurant sur le produit, le manuel utilisateur ou l'emballage.

En fonction de leurs caractéristiques, les matériaux peuvent être recyclés. Par le recyclage et par les autres formes de valorisation des déchets d'équipements électriques et électroniques, vous contribuez de manière significative à la protection de l'environnement. Veuillez consulter les autorités locales qui vous indiqueront le point de collecte concerné.

***Applicable to EU, UK and Turkey only**

***Applicable à l'UE, au RU et la Turquie uniquement**

AEEE Yönetmeliğine Uygundur.

United States and Canada:

FCC STATEMENT

1. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and

(2) This device must accept any interference received, including interference that may cause undesired operation.

2. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Déclaration de conformité

UTILISATEURS CANADIENS :

Cet appareil numérique de la classe B respecte toutes les exigences du Règlement sur le matériel brouilleur du Canada.
