

# Reindeer LED Light

These LED lights from St Helens Home and Garden give off a soft warm glow making them ideal for use as night lights in children's bedrooms. They are also equally suited for use in lounges, kitchens, conservatories and home offices. Available in a range of interesting designs and vibrant colours they will brighten up any room. They are primarily designed for standing and can be placed on shelves, desks, tables and window ledges but the handy key slots in the back of the lights also allows them to be wall mounted. The lights are powered by 2 x AA batteries (not supplied) and all have an On/Off switch for ease of use.
