STATIX workshop floodlight on a stand, 50W, 4000lm, IP66, 6000K

The STATIX portable floodlight, with a high IP65 rating, is designed to illuminate the work carried outdoors, at home, in the garage, basement, car, camping, etc. It is equipped with energy-saving LEDs that emit cold light. Compared to most floodlights, STATIX has a higher colour rendering index so that when working indoors we can see the colours of the illuminated surface better. It does not flicker and its light has no harmful effects on our eyesight. The device has a sturdy carrying handle, a practical rotating, unscrewable stand with 360° horizontal and vertical (up and down) adjustment. Power supply - 3m cable with plug.

Light source:

LED

Rated power:

50W

Luminous flux:

4000lm

Colour temperature:

6000K

Degree of protection (IP):

66

Beam angle:

120°

Type of cable:

H05RN F3G

Material housing:

Aluminum

General information

Light source: LED

Rated power: 50 W

Luminous flux: 4000 lm

Colour: black/yellow

Colour temperature: 6000K

Degree of protection (IP): 66

Colour rendering index CRI: >80

Beam angle: 120 °

Type of cable: H05RN F3G

Protection class against electric shock: I

Durability L70/B50: 30000 h

Connection type: The cable is terminated with a plug

Material housing: Aluminum

Wire length: 2,5 m

Width: 30 mm

Height: 110 mm

Length: 190 mm

Power factor: 0,9

Power supply: 230V

Impact strength: IK06
