

CE CERTIFICATE OF CONFORMITY

1. CERTIFICATE HOLDER

Name: BeltAvenue Holding B.V.

Address: Nobelstraat 127 B,3039SM,Rotterdam,Netherlands

Contact Information: Email: mangomango2023@yahoo.com

2. PRODUCT INFORMATION

Product Name: Air Conditioner Sealing Kit

Product Description: Complete set of matching sealing components for household air conditioning equipment, including silicone gaskets, elastic foam strips, adhesive sealing tapes and fixing accessories. The kit is composed of polymer elastic materials and adhesive substrates, used to seal gaps between air conditioner panels, windows and pipeline interfaces, reduce cold air loss, isolate dust and noise, applicable to installation, maintenance and replacement of indoor cooling equipment for residential use.

3. CERTIFICATION BASIS

This certificate is issued in accordance with the requirements of the following EU Regulations and Harmonized Standards, after the completion of conformity assessment procedures (including product testing, factory inspection and technical documentation review):

- 2001/95/EC – General Product Safety Directive (GPSD)
- (EU) 2015/863 – RoHS Recast Amending Directive
- Regulation (EC) No 1907/2006 – REACH Chemical Regulation
- 2011/65/EU – Restriction of Hazardous Substances (RoHS)
- Regulation (EC) No 1907/2006 – REACH Regulation
- 2009/125/EC – Ecodesign for Energy-using Products Directive
- (EU) No 305/2011 – Construction Products Regulation (CPR)

4. CERTIFICATION CONCLUSION

After strict conformity assessment in accordance with the above-mentioned EU regulations and harmonized standards, the above product has been verified to meet all essential safety, health, environmental protection and consumer protection requirements specified by the EU for placing on the European Economic Area (EEA) market. This certificate authorizes the holder to affix the CE marking to the certified product, which indicates that the product complies with the applicable EU legislation and can be freely circulated within the EEA.

5. IMPORTANT NOTES

- This certificate is only valid for the product model/type specified above and shall not be transferred, altered or forged without the written approval of the issuing notified body.

- The certificate holder shall ensure that all products manufactured under this certificate continue to comply with the certified requirements and shall conduct regular self-inspection.
- The CE marking shall be clearly, permanently and legibly affixed to the product and its packaging, with a height not less than 5mm.
- This certificate will be suspended, revoked or invalidated if the certificate holder fails to comply with the relevant requirements of EU legislation or the terms of this certificate.
- The technical documentation related to this certification shall be retained by the certificate holder for at least 10 years after the last product is placed on the market and shall be provided to the EU competent authorities or the issuing notified body upon request.
