

Product Information Sheet
Delegated Regulation EU_2020_740

Supplier or brand name	Uniroyal
Commercial name	Allseasonexpert 3
EAN	4024068006688
HSN	0363676000
Tyre dimension designation	255/45 R20
Speed category symbol	W (270 km/h)
Load capacity index (for single mounting)	105
Fuel efficiency class	C
Wet grip class	B
External rolling noise value	73 dB
External rolling noise class	B
Tyre class	C1
Start production year	25
Market launch date	Mar 26, 2025
EPREL registration number	2043840
Specificity XL	Extra Load : reinforced tyre with higher weight rating
Specificity FR	Flange protection for the rim.

Additional information

WARNING

- Ensure that the tyres are suitable for your vehicle and comply with the manufacturer's specifications.
- Inflate the tyres according to the manufacturer's manual recommendations to ensure optimal performance and avoid any risk of failure.
- Regularly inspect the tyres for any signs of wear, damage, or puncture that could compromise safety.
- Never exceed the load and speed limits indicated on the tyre sidewall.
- In case of tyre replacement or fitting, seek a qualified professional to ensure correct and safe installation.
- Avoid any contact of the tyres with chemicals or sharp objects that could cause damage.
- Store the tyres in a cool, dry place away from direct sunlight to preserve their integrity.

Upon receipt, check and read all available instructions.
