INTRODUCTION

Thank you for deciding to purchase the Scooter Tiller Cover from Aidapt.

NB. This equipment must be installed by a competent person.

INTENDED USE

The Scooter Tiller Cover has been designed to cover the control panel of wheeled mobility scooters and provide protection from the elements.

FITTING INSTRUCTIONS

The Scooter Tiller Cover can easily be slipped on and off as necessary; the opening is elasticated for a secure fit:

- Remove all packaging; take care not to use sharp tools such as scissors or knives to open the packaging as this may result in damage to the Scooter Cover
- ***NB. Please dispose of all packaging safely***
- Fit the cover over your scooter controls and handles so that it covers the whole panel. Place your hands through the openings in the cover to grip the handle bars.

CLEANING

Clean your Scooter Tiller Cover using a mild detergent with a slightly damp, soft cloth only. Only use a mild detergent or disinfectant; never use an abrasive cleaner.

After cleaning, hang the Cover somewhere warm and dry to air. Do not leave in direct contact with a heat source and do not put in a tumble dryer.

CARE & MAINTENANCE

Please make a safety check of the product at regular intervals or if you have any concerns.

REISSUE

If you reissue or are about to reissue this product, please thoroughly check all components for their safety.

If in any doubt, please do not issue or use, but immediately contact your supplier for service support.

IMPORTANT INFORMATION

Please exercise common sense and do not take any unnecessary risks when using this product; as the user you must accept liability for safety when using the product.

Please do not hesitate to contact the person who issued this product to you or the manufacturer (detailed below) if you have any queries concerning the assembly/use of your product.
