Johnson & Johnson VISION

CERTIFICATION OF COPY

On this 3rd day of April 2019, I certify that the attached is a true, exact and unaltered photocopy provided to me of:

Declaration of Conformity – etafilcon A – Version 27.0 – 3 pages

presented to me by Rosalind D. Williams, Project Leader, Regulatory Affairs, and to the best of my knowledge, that the photocopied documents are neither a vital record nor a public record, certified copies of which are available from an official source other than a Notary Public.

DECLARATION OF CONFORMITY

Jacksonville, Florida 32256 United States
etafilcon A Contact Lenses
Spherical (etafilcon A) contact lenses for the correction of refractive ametropia (myopia, hyperopia or presbyopia) in phakic or aphakic persons with non-diseased eyes who may have 1.00D of astigmatism or less. The lenses may be prescribed for either daily wear or extended wear. Spherical cosmetic tint (etafilcon A) contact lenses also alter/enhance the appearance of the eye. The lenses may be prescribed for either daily wear or extended wear. Multifocal contact lenses for the correction of distance and near vision in presbyopic phakic or aphakic persons with non-diseased eyes who may have 0.75D of astigmatism or less. The lenses may be prescribed for either daily wear or extended wear. Toric contact lenses for the correction of visual acuity in phakic or aphakic persons with non-diseased eyes who are hyperopic or myopic and may have 0.50D to 2.50D of astigmatism. The lenses may be prescribed for either daily wear or extended wear. The etafilcon A contact lenses contain a UV (ultraviolet) blocker to help provide protection against transmission of harmful UV radiation to the cornea and into the eye.

Ha
Rule 5
This declaration of conformity is issued under the sole responsibility of the manufacturer, per Decision No 768/2008/EC. We, being the manufacturer/distributor within the European Economic Area, declare that the products covered by this declaration, documented in Technical File - etafilcon A Version 24.0, dated 26 March 2019, conform with the essential requirements and provisions of European Council Directive 93/42/EEC. We, the manufacturer/distributor, have been subject to the conformity procedures laid down in Annex II under the supervision of the British Standards Institution, a Notified Body authorized by the Netherlands Competent Authority, carrying the Notified Body Number 2797 and no application has been lodged with any other Notified Body. This declaration is supported by the Johnson & Johnson Vision Care, Inc., Quality Management Systems approved by EC Certificate for Quality
