

and you will need Nous E1 or other Tuya compatible ZigBee Gateway/Hub

How to add your device to the Nous Smart app

1. Plug in the device (your ZigBee Hub has to be connected to the app already)
2. Make sure that indicator is blinking rapidly(if not, hold power button for 5 seconds until it starts blinking fast)
3. Turn on Bluetooth and Location on your phone(temporarily)
4. Open Nous Smart app
5. Press + and Add device
6. Autoscan will appear and it will suggest you to add new device
7. Confirm connection and your WiFi network data
8. Start pairing
9. After pairing is done, you can rename your device if you wish and its ready to be used
10. If autoscan does not see your device, you can pick it manually from the list and proceed to connection from step number 7.
