QUICK START GUIDE

Safety Warnings

- Read all the instructions carefully before using the unit and keep them for future reference.
- Retain the manual. If you pass the unit onto a third party, make sure to include this manual.
- Do not disassemble the keyboard or remove any parts.
- Do not immerse the keyboard in water or any liquid.
- Do not use the keyboard close to heat sources or expose to high temperatures.
- Do not use the keyboard where strong electromagnetic waves are present.
Strong electromagnetic waves will cause damage to the keyboard.
- Keep the keyboard away from direct sunlight, moisture, dirt or abrasive chemical products (cleaning products etc).

How it works

105 Keys (DE/NOR/ES/IT/FR)

104 Keys (US)

How to connect:

Connect the USB Cable to the USB Port of your device.

Backlight Effect:

To access these functions, press the Fn Key and the required key together:

-  +  or  ⇒ Adjust the backlight flashing level (5 levels, default level 3)
-  +  ⇒ Select different backlight effects: 6 modes (5 RGB modes + 1 customisable mode)
Flowing (default); Colourful breathing; One click; Ripple; Single colour breathing (press Fn + Space to adjust the colour, 8 colours + light off); Customised
-  +  ⇒ Switch backlight on/off
-  +  or  ⇒ Adjust brightness level (5 levels, default level 5)
-  +  ⇒ Lock the Win Key, press again to cancel lock

Customising Backlight Effect:

You may customise the backlight for each key.

- Press **Fn + End** repeatedly to select the customised backlight mode. Keys **WASD** will light up for the first time.
- Press and hold **Fn + End** to enter backlight setting mode. **LED indicator** will start flashing.
- Press the key(s) repeatedly to choose the colour you prefer (8 colours + light off).
- Press and hold **Fn + End** when done. **LED indicator** will stop flashing.

To reset customised backlight effect to default setting, press and hold **Fn + End** until all backlights start lighting in succession.

Shortcut Keys:

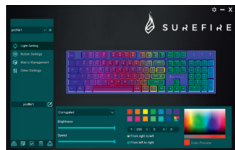

To access these functions, press the Fn Key and the desired key together.

Key-Cap : 105 Keys
All keys are anti-ghosting keys

Limited Warranty Terms

Verbatim GmbH warrants this product to be free from defects in material and workmanship for a period of 2 years from date of purchase. This warranty excludes batteries. If this product is found to be defective within the warranty period, it will be replaced at no cost to you. You may return it with your original cash register receipt to the place of purchase or contact Verbatim. Product replacement is your sole remedy under this warranty, and this warranty does not apply to normal wear or to damage resulting from abnormal use, misuse, abuse, neglect or accident, or to any incompatibility or poor performance due to the specific computer software or hardware used. VERBATIM WILL NOT BE LIABLE FOR DATA LOSS OR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, HOWEVER CAUSED, FOR BREACH OF WARRANTIES OR OTHERWISE. This warranty gives you specific legal rights and you may also have other rights which vary from state to state or country to country.

Note

Verbatim GmbH may at any time revise the content of this user guide without further notice.

RoHS Compliance

This product is in compliance with Directives 2011/65/EU and 2015/863 of the European Parliament and of the Council of 18th December 2006, on the restriction of the use of hazardous substances in electrical and electronic equipment (RoHS) and its amendments.

Substances of Very High Concern (SVHC) including 219 substances contained in Candidate List of July 8th 2021 are not present in this product range above permitted levels

WEEE Notice

The Directive on Waste Electrical and Electronic Equipment (WEEE), which entered into force as European law on 13th February 2003, resulted in a major change in the treatment of electrical equipment at end-of-life.

The WEEE logo (shown at the left) on the product or on its box indicates that this product must not be disposed of or dumped with your other household waste. For more information about electronic and electrical waste equipment disposal, recovery, and collection points, please contact your local municipal household waste disposal service or shop from where you purchased the equipment.
