LONG-LASTING VAGINAL MOISTURISER

YES[®] VM is a water-based natural, long-lasting vaginal moisturising gel.

- relieves vaginal atrophy and dryness
- alleviates irritation, itching and burning
- moisturises and soothes dry and sensitive vaginal tissues
- isotonic gel matched to vaginal pH (pH4)
- no fragrance, colour, taste, stickiness or residue
- gynaecologist recommended (see website)
- hypoallergenic - formulated to minimise the risk of allergies

Product details: A vaginal moisturiser for daily/frequent/as needed application, intended to replenish, moisturise and supplement the body's natural lubrication. Please note that this product does not come with a reusable applicator. YES[®] VM is compatible with natural rubber latex and polyisoprene condoms.

YES[®] products are certified organic, designed to be side-effect free and are not made with parabens, glycerine, hormones, gluten or known skin irritants.

Ingredients: Aqua, Linum usitatissimum (flax) extract*, Aloe barbadensis leaf juice powder (aloe vera)*, Cyamopsis tetragonolobus (guar gum)*, Ceratonia siliqua (locust bean gum)*, Sodium chloride, Xanthan gum, Potassium sorbate, Citric acid, Phenoxyethanol.

*Organically grown ingredients (95%)

YES[®] VM is certified organic by the Soil Association, Bristol, UK

Caution: This device is not a contraceptive or a spermicide.

Warning: If the seal on the tube enclosed is damaged or opened DO NOT use, return to place of purchase. If irritation or discomfort occurs, discontinue use. If symptoms persist, seek medical advice.

YES[®] VM is available on NHS prescription. If you would like your doctor to prescribe YES[®] VM for you please give them this PIP Code: 402-3412.
