

PRECAUTIONS

1. Because the headlight is too strong, please don't irradiate human eyes especially children. The bright and dazzle can cause blindness temporarily;
2. Do not disassemble or modify the product privately, so as not to damage the product;
3. Do not hit, bump, or hit the battery to avoid battery failure;
4. Pay attention to the waterproof, moisture-proof and drop-proof of the battery;
5. Please store the battery in a low-temperature, dry and well-ventilated place;
