

Round Sound | AudioBall |

Power button

- Hold on 3s: Power on and automatically activate Bluetooth pairing mode
 - Click×1: Play/pause
- Hold on 1s: Bluetooth repairing mode
 - Click×2: Turn on/off TWS pairing mode

Power on/off

Press and hold the Power button for 3 seconds to turn the speaker on/off.

Play/pause

Click the power button to play/pause.

Bluetooth pairing with device

Hold the Power button for 3 seconds to switch on the device and to automatically activate Bluetooth pairing mode. When power is on, press and hold the Power button for 1 second to enter Bluetooth repairing mode.

Note: When the RoundSound is switched on, the last paired device will be connected to the speaker automatically (if it is available).

True wireless stereo (TWS) pairing between two roundsound speakers

1. Double press the Power button and the speaker will go into TWS pairing mode.
2. Switch on another speaker and enter TWS pairing mode.

Important safety instructions

1. DO NOT expose the RoundSound | AudioBall | (including relevant accessories) under direct sunlight over a long period of time.
2. Install the product in accordance with the instructions in order to avoid injury.
