INGREDIENTS

Water (Aqua), Cyclopentasiloxane, Cyclohexadecane, Hydroxyethylcellulose, Alertan, Polycyrene-15, Dextrin(1) Wax, Glycerin, Polybutene, Ammonium Acryloyldimethyltaurate/VP Copolymer, Bisabolol, Dimethiconol, Polybutene 20, Aloe Barbadensis Leaf Juice, Tocopheryl Acetate, Benzyl Alcohol, PEG-40M, Methylchloroethoxazone, Cucumis Sativus (Cucumber) Fruit Extract, Methylchloroacetone

KEY INGREDIENTS

BISABOLIN

The primary component of the essential oil extracted from chamomile.

ALOE BARBADENSIS LEAF JUICE

Acts as a moisturizing agent, among many other things. This herb is an effective humectant that increases water retention in the skin.

TOCOPHERYL ACETATE

Known commonly as vitamin E, this topical is often used in skin creams and other formulas to provide antioxidants and a skin-conditioning agent.

CUCUMIS SATIVUS (CUCUMBER)

A high-end emollient and skin-soothing plant extract to soothe the senses known for its hydrating properties.
