LP2 Laptop stand

Instruction Manual

1. Introduction

Congratulations on your purchase and thank you for choosing Douxe LP2 Laptop Stand. This manual contains information on product use and maintenance. It provides detailed product information and safety instructions. Please read it carefully and store it for future reference.

The Douxe LP2 Laptop Stand is a laptop holder efficiently designed to provide comfort and optimize your working experience. It helps improve posture, increase productivity, and eases working conditions.

The stainless-steel screw connections with triangle support provide a strong bearing capacity and a more stable centre of gravity. The product also comes equipped with non-slip silicone pads and sleeves to prevent sliding and abrasion.

The hollowed-out designed and Aluminum construction ensures adequate airflow to maximize heat dissipation and prevent overheating. The stand is highly portable as it is easy to fold, use and store.

2. Warning

- Please keep all packaging materials out of the reach of children! They may make up choking or suffocation hazards.
- Do not let children play with the stand.
- The stand is for a laptop/tablet or one book at a time.
- Do not use the stand as a stool
- When using the laptop stand, we recommend using a separate keyboard and mouse. This helps to create an ergonomic workspace and reduce neck and shoulder discomfort.

3. Receiving Your Shipment

When receiving your shipment, make sure that the contents are consistent with the packing list. Notify your distributor of any missing items. If the equipment appears to be damaged, file a claim immediately with the carrier and notify your distributor at once, giving a detailed description of any damage. Save the damaged packing container to substantiate your claim.

6. How To Use

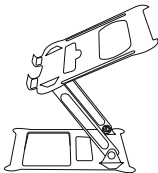

1. Remove the stand from the packaging box and set it on a flat and firm surface.

2. Now set the tray by lifting it to an angle less than or equal to 30 degrees. This is the recommended optimum angle.

3. Fold-out the stand and raise it to a suitable height or angle. It is normal for the setting process to involve a bit of trial and error. A suitable height or angle depends on preference and working conditions.

Note: We recommend an angle less than or equal to 45 degrees.

4. Set your laptop on the tray and ensure it firmly rests on the supports.

Note:

- Your laptop, tablet or book may fall if the angles used are too large.
- The stand is most suitable for thin laptops. Big laptops slip off easily.
- It is best to use with a bluetooth or wireless keyboard and mouse.

7. Maintenance and Cleaning

- i. Use a soft damp cloth to carry the stand clean, do not use detergent.
- ii. Do not expose the stand to direct sunlight.
- iii. If used incorrectly, the stand may cause scratches on a laptop or tablet

8. Storage

Store the Laptop stand in a clean and dry place. Do not store the device in extremely high or extremely low temperatures.

9. Disposal - Recycle

Contribute to a cleaner living environment! Do not dispose of the USB-C Hub with the household waste. For proper recycling, please contact your local authority or your household waste disposal service for further details on your nearest designated collection point.

10. Service and Warranty

Douxé provides a 1-year warranty on its products. To get service during the warranty period, the product needs to be returned with a proof of purchase. Product defects must be reported within 1 years from the date of purchase. This warranty does not cover: damages caused by misuse or incorrect repair; parts subject to wear; defects that the customer was aware of at the time of purchase; damages or defects caused by customer neglect; damages or defects caused by third parties.
