Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment, Paragraph (Recital) 14 states:

"This Directive should apply without prejudice to Union legislation on safety and health requirements and specific waste management legislation, in particular Directive 2006/66/EC of the European Parliament and of the Council of 6 September 2006 on batteries and accumulators and waste batteries and accumulators."

I hereby ensure and declare under sole responsibility of the manufacturer that the Powerheart® G5 non-rechargeable battery meets the provisions Directive 2006/66/EC of the European Parliament and the Council of 6 September 2006 on batteries and accumulators and waste batteries and accumulators and Regulation (EC) No. 850/2004.

Applicable Standards Refer to Annex A of this Declaration

Product Powerheart® G5 non-rechargeable batteries:
Model XBTAED001A and XBTAED005A-TSO

Start of CE Marking 17 July 2012
