

STAR WARS™ OUTER RIM™

"Everything you've heard about me is true." - Lando Calrissian

In *Star Wars: Outer Rim*, you and your friends take on the roles of bounty hunters, smugglers, and mercenaries and set out to make your mark on the galaxy. You'll travel the Outer Rim in your personal ship, hire legendary *Star Wars* characters to join your crew, and try to become the most famous (or infamous) outlaw in the galaxy!

Will you make a name for yourself by hunting bounties for the Hutts, stealing for the crime syndicates, or smuggling goods past Imperial patrols? All this and more is possible as you adventure through the outskirts of the known galaxy. Set your coordinates, gather your crew, and make the jump to hyperspace with *Star Wars: Outer Rim*!
