

A brand-new case for the Evercade EXP!

The new Evercade EXP Carry Case is a bespoke design for the Evercade EXP. The new black coloured case is a larger size than previous cases, and the new fabric material is stronger and more durable than previous Evercade cases, featuring two full-size pockets, including a fully padded zip pocket for the Evercade EXP console.

Take your Evercade library with you wherever you go with space for multiple Evercade cartridges, charging cables and manuals. The carry case can comfortably fit up to six Evercade cartridges (not including one in the console too!), and features two secondary pockets within the front zip pocket along with a stitched Evercade tag on the front.

The case is compatible with all Evercade handheld consoles.

Features

Large capacity – Hold up to six Evercade cartridges

Fits old and new handhelds – Can be used for all Evercade Handhelds

Pockets for extras – Zip pockets to carry your cables and manuals

Strong and durable – The new black material makes this case stronger and more durable than the previous carry case
