

## MCS FORMULAS OLIVE EXTRACT,

is a natural plant extract from the olive tree species known as *Olea europaea*. *Olea europaea* was first used as the source of medicine for ancient Egyptians. The outstanding properties are often related to Oleuropein, it's main bioactive ingredient.

**If you are pregnant**, nursing, taking any medications or blood thinners, please consult your healthcare practitioner before taking any dietary supplements. This product is not intended to diagnose, treat, cure, or prevent any disease.

**Food supplements** should not be used as a substitute for a varied and healthy lifestyle. Keep out of reach from children. Do not exceed the daily intake recommended by your healthcare provider.
