HÅG

HÅG Capisco 8106 - classic saddle seat

The HÅG Capisco 8106 is the classic bestseller model. The saddle seat can be adjusted between low and high working positions, all the way up to a standing position, enabling you to be more dynamic in your movements while still sitting in a balanced position. We recommend the optional 265 mm lift if you want to work with a desk in a high position.
