

# Decoration Lamp

MADE IN CHINA

## NEON LIGHT INSTRUCTIONS:

- (1) Soft and pleasant light can be used for long time.
- (2) For hanging, use the hanging holes.
- (3) The light can be used with USB power source or battery (3xAA) for power supply. Can use computer USB as power supply as well.
- (4) On/off switch button works only when using battery as a power source. does not function while using USB power source.
- (5) Avoid putting tension and stretching the electric wire.
