Must-have kitchen appliance

This Princess Deep Fryer is suitable for all regular frying, such as fries, fish, snacks and many more. The volume of 4 litres, powered by 2000 watts by turning the dial, makes it a reliable fryer capable of providing crispy snacks and golden-brown fries for the whole family.

Cool zone keeps the oil clean

Basic features as found in this appliance are supported by up-to-date design choices such as the luxurious stainless steel housing and the cool zone at the bottom. Burnt food particles will sink to the bottom, preventing foul odours from enamating and keeping your oil cleaner and healthier.

Easily cleaned and dishwasher safe

Do not worry about the aftermath of deep frying. The enamel inner pan is removable and can therefore be easily cleaned and refilled. In addition, the enamel inner pan, and all parts except for the heating element are also dishwasher-safe!
