

Bold Security Technology B.V. Nijverheidsweg 12 3762 ER Soest The Netherlands

Who's in and who's out? It's up to you.

Unlock a keyless life with the Bold Smart Cylinder, easily installed in 5 minutes. Pair with the Bold app and the Bold Connect to take full control of your home and safely open your door- anytime, anywhere. See who's in and who's out, share access and forget about keys. You're in control.
