

teeny & tiny™

little star wall light

A portable and wall mountable little light that is fun for play and a great sleep companion. Durable eco friendly child safe light made from BPA, lead and Phthalate free PVC.

The internal LEDs provide a comforting glow to your little one's room. The light will automatically fade off after 1 hour to extend battery life.

- Warning: requires batteries. Hazardous if swallowed. Please ensure the battery lid is closed with included screw.
- Clean the surface with a soft, slightly moistened cloth.
- Bulb is not replaceable.
- 3 AAA batteries required.
- Approximate battery life 50-75 hours.
- Made in China.
- Suitable for ages +10 months
