

PRESENTING

EVO CLEAR

FOR THE iPhone 14 RANGE

This completely clear and scratch-resistant case showcases the original design of the device while keeping every element protected. It's made with advanced anti-yellowing materials that guard against discolouring for the lifetime of the device.

Ready for Impact

A totally transparent case that resists scuffs and scratches in all the toughest tests. Ready for everything modern life throws at it, this sturdy case offers up to 3.6m multi-drop protection.

Anti-Yellowing

As well as extra layers of protection and built-in microbe-reducing technology, this case has intelligent and advanced anti-yellowing agents that stop any unsightly discoloring – for the lifetime of the device.
