

 **Transcend®**

DDR4

- Excellent Compatibility
- Durable Construction
- Guaranteed Speed
- JEDEC Standard Design
- 100% Quality Tested
- Lifetime Warranty

Transcend memory modules are built to the highest specifications with the finest chips and materials available, and undergo strenuous laboratory testing to ensure they provide the best performance possible. All Transcend memory modules come with a lifetime warranty and the support of a global service network.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. The warranty starts from the date of purchase. Proof of purchase that includes the original purchase date is required for warranty service. If our goods are defective not caused by accident or improper usage, please properly package and return them at your expense to the place of purchase, or kindly contact us.

© Transcend Information Inc. All rights reserved. All brand names are registered trademarks of their respective owners. Specifications subject to change without notice. Product warranty does not cover any data stored on the device. Please see Transcend website for additional warranty details and limitations. The Lifetime Warranty will not apply to any Transcend memory cards used in write-intensive applications, including but not limited to recursive recording or surveillance equipment. 1GB = 1 billion bytes. A certain portion of the storage capacity may be reserved for firmware and maintenance use.

Модуль пам'яті
Берегти від дітей, тварин, від контактів з водою, джерелами тепла, щоб уникнути пошкодження пристрою
